EDUCATION

Matric
Carter High School
2021 Pietermaritzburg, KZN

Diploma in IT Engineering - Networking and Programming
iStudent Academy
2023 Pietermaritzburg, KZN

SUMMARY

Motivated IT engineering student with hands-on experience in web development and networking. I have a strong foundation in theoretical and practical IT concepts in both networking and programming. Eager to apply technical expertise to deliver innovative IT solutions and contribute to more impactful projects. I'm seeking opportunities to leverage academic knowledge and hands-on experience to contribute effectively to IT projects and initiatives.

CORE COMPETENCIES

- Front-End Development (HTML5, CSS3, JavaScript)
- Database Management (SQL, SQL Server Management Studio)
- Responsive Web Design & Cross Browser Compatibility
- Version Control (Git/GitHub)
- Clean Code & Documentation (Obsidian)
- Troubleshooting, Debugging & Code Optimization
- Project Management
- Technical Support
- Knowledgeable Hardware & Software fundamentals, such as risk management, PC infrastructure, peripherals, troubleshooting & installations.
- Knowledgeable in Network Concepts such as topologies, Wi-Fi, IP Addressing, LAN, WAN, & Network Configurations.

PROFESSIONAL EXPERIENCE

Freelance Web Developer
iGwebu Homecare,
August 2024 - Present Durban, South Africa
iGwebu Homecare

- Designed and launched a responsive website for iGwebu Homecare.
- Delivered a user-friendly interface tailored to branding requirements.
- Designed the product and brand logo, and worked closely with the client to ensure all branding and functionality requirements were met.

TECHNICAL SKILLS

Programming Languages : HTML, CSS, JavaScript, SQL, C#, C++

SOFT SKILLS

- Problem Solving
- Troubleshooting

Databases : SQL Server Management Studio
Version Control : Git, GitHub
Frameworks : Node.js
Networking : CCNA: Routing and Switching

- Work well under pressure
- Good Time Management & Organized
- Assertive & Honest
- Teamwork & Collaboration
- Technical Support & fault diagnoses

INTERNATIONAL CERTIFICATIONS

- Microsoft Certified: Azure Fundamentals (AZ-900), Microsoft, 2024 (Certified)
- Microsoft Certified: Microsoft 365 Fundamentals (MS-900), Microsoft, 2023 (Certified)

- Microsoft Certified: Azure Developer Associate (AZ-204), Microsoft, 2024 (Coursework)
- Microsoft Certified: Azure Data Fundamentals (DP-900), Microsoft, 2024 (Coursework)
- Microsoft Certified: Azure Database Administrator Associate (DP-300), Microsoft, 2024 (Coursework)
- Microsoft Certified: Windows Client (MD-100), Microsoft, 2023 (Coursework)
- Microsoft Certified: Managing Modern Desktops (MD-101), Microsoft, 2023 (Coursework)
- Cisco Certified Network Associate (CCNA 200-301), Cisco, 2024 (Coursework)
- CompTIA A+ (Course Work)
- CompTIA Network + (Course Work)

LANGUAGES

English: Fluent
Zulu: Fluent

PORTFOLIO

Networking

- Simulations using Cisco Packet Tracer

Programming

- Developed a personal portfolio website using HTML, CSS, JavaScript showcase web development skills and projects.
